

MALADHI

Salem| +91 9092673683 | markujulial5619@gmail.com | Github: <https://github.com/Maladhi21> |

Motivated and detail-oriented Computer Science student with a strong foundation in software development, problem-solving, and modern web technologies. Skilled in building responsive and user-friendly applications using industry-standard tools and frameworks. Passionate about continuous learning, developing impactful projects, and contributing to innovative technology solutions.

EDUCATION

B.E Computer Science and Engineering (Akshaya college of engineering and technology)-75%	2023-2027
HSC (Government higher secondary school)-79%.	2022-2023
SSLC (Government high school)	2020-2021

PROJECTS

Blood Donation Management System

Tech Stack: React, Tailwind CSS, Node.js, Express.js, MongoDB

- Developed a responsive donor and blood request management interface.
- Implemented frontend workflows and backend data handling concepts.

AI-Based Agriculture Assistance System

Tech Stack: React, JavaScript, Python, Machine Learning

- Built an interactive interface for agriculture recommendations and data visualization.
- Applied AI and backend integration concepts for decision support.

Stock Maintenance Management System

Tech Stack: React, Tailwind CSS, Node.js, Database Concepts

- Developed a dashboard for inventory tracking and stock monitoring.
- Implemented AI-based prediction and backend workflow concepts.

INTERNSHIPS

WEB DEVELOPMENT – Intern

Worked on front-end and back-end development with hands-on experience in HTML, CSS, JavaScript, and React.

AR/VR – Intern (PRYA Labs)

Gained practical exposure to AR/VR application concepts, development workflows, and implementation.

MERN Stack Development Intern (30 Days) – Xplore IT Corp

Worked on MERN stack technologies with practical experience in full-stack development and project workflows.

SKILLS

Databases: MySQL | MongoDB

Technical Skills: Java | JavaScript | Python | C | React.js | Node.js | Express.js | HTML | CSS | Tailwind CSS | Bootstrap | Exploratory Data Analysis (EDA)

Soft Skills: Problem Solving | Teamwork | Time Management | Resilience | Flexibility | Attention to Detail

ADDITIONAL INFORMATION

Languages: English, Tamil

Certifications: NPTEL Elite + Silver – Java | Value Added Course – Full Stack Development (KGiSL)

Achievements: Third Prize – Paper Presentation |

Hobbies: Learning New Tools | Coding | Singing | Listening to Music
